

Take advantage of a FREE event to improve the health of your employees and their families! Family Wellness Day showcases the county's health initiatives at school, in the home and at work.

We invite you to join us in promoting and participating in Family Wellness Day on Sunday, June 19th, 2022. This community-wide event is FREE for you, your employees and their families and focuses on the importance of healthy eating and physical activity in the workplace, in our schools and throughout our community.

Family Wellness Day is an opportunity for you, as an employer, to promote the benefits of a healthy lifestyle to your workforce and to encourage employees and their families to participate. As part of this event, participants will enjoy a day of healthy fun and outside physical activity as well as receive important **free health screenings** and education. There will be lots of opportunities to win wellness related prizes throughout the day in our free drawings.

Family Wellness Day can be a part of your current or newly-forming workplace wellness initiative. Send your employees the message that you care about their health by promoting this event to them. Employees are encouraged to bring their children. There will be a Healthy Kids Zone, sponsored by Giant Food, where kids can experience this day-long event on their own level with games, activities and prizes. Family Wellness Day is fun for the entire family!

Your employees are your most important asset. Share this opportunity with them and encourage them to participate at Family Wellness Day.

Family Wellness Day is presented by We Promote Health, a local non-profit organization promoting healthy lifestyles, in partnership with the following partners: Columbia Association, Horizon Foundation, Howard County Chamber of Commerce, Howard County Library Systems, Howard County PTA, Howard County Health Department, Howard County Dept of Citizen Services, Howard County Recreation and Parks, Howard County General Hospital, University of Maryland Extension, HCPSS, Maryland University of Integrative Medicine, Villages of Columbia, the Y of Central Maryland, Howard County Fire & Rescue.

Here are 10 things your organization can do to make the most of this opportunity:

- 1) **Locate a high visibility area within your organization and post Family Wellness Day posters.** Place them in areas of high visibility, i.e., counter space or display rack. Request posters, flyers or FREE raffle cards
- 2) **Place Family Wellness Day on your next meeting agenda and emphasize to your employees the importance your organization places on their health and your support of this event.** *(See enclosed talking points)*
- 3) **Communicate with your management staff and encourage your management team to invite employees and their families to Family Wellness Day.** Include an announcement in your company newsletter and/or your company intranet. *(See suggested copy newsletter/ intranet messaging)*
- 4) **Send emails to employees and share the many reasons why they should bring their families to Family Wellness Day.** *(See suggested email content designed to introduce and motivate your employees to attend)*
- 5) **Send out email communications to your data base of customers and friends.** Send an email to all of your email lists inviting them to attend this event and directing them to the website link.
- 6) **If you have a store front window or marquee,** consider sharing this important message and show your community support. *(See suggested community message for marquee)*
- 7) **Talk to other area businesses and local organizations that are close in proximity to your organization.** Encourage them to contribute to the success of this event. If you have counter space or available space on a display, you can request we deliver a supply of flyers. We also have posters for your window and bulletin board.
- 8) **If your organization has a product or service that is wellness related, you can offer a prize for the Family Wellness Day free raffle.** Your generosity will be noted on the event website and other signage.
- 9) **Become a Family Wellness Day corporate sponsor.** (Request a sponsorship form).
- 10) **If you have wellness initiatives at your workplace, there may be an opportunity to showcase your wellness initiatives in the worksite wellness area** (request a special booth application)

MEMO TO: All Employees

SUBJECT: Family Wellness Day 2022

Sunday, June 19th 8am to 1pm

Centennial Park South (108 entrance)

In today's fast-paced world where most of our lifestyle choices are influenced by convenience and technology, chronic health conditions have begun to rise at an alarming rate. By focusing efforts on prevention, several chronic diseases can be prevented or made less serious.

As your employer, we want to do all that we can to promote better health for you and your family. Together, we can help each other to improve the culture of wellness in our workplace. Simple steps include becoming more conscience of our snack and meal choices in the office or deciding to take a short walk during a break.

There are also many opportunities in our community that we can participate in together. As a starting place, we invite all employees and their families to participate in Family Wellness Day. Family Wellness Day is a FREE Howard County event on June 19th at Centennial Park. This community-wide event focuses on the importance of healthy eating and physical activity in the workplace, at our schools and in our community.

We encourage all of our employees and their families to take part in this day of healthy fun and outside physical activity. There will also be **free health screenings**, music and prizes. More information about Family Wellness Day can be found at www.FamilyWellnessDay.org

There will be a worksite wellness area where we will have the opportunity to learn more about what we can do to promote better health in the workplace. In addition, there will be an **Active Kids Zone** where kids can experience this day-long event on their own level with games, activities and prizes!

We hope that many of our employees and their families will take part in Family Wellness Day.

Family Wellness Day is presented by We Promote Health, a local non-profit organization promoting healthy lifestyles, in partnership with the following partners: Columbia Association, Horizon Foundation, Howard County Chamber of Commerce, Howard County Library Systems, Howard County Health Department, Howard County Dept of Citizen Services, Howard County Recreation and Parks, Howard County General Hospital, University of Maryland Extension, HCPSS, Maryland University of Integrative Medicine, Villages of Columbia, the Y of Central Maryland, Howard County Fire & Rescue.
