

Take advantage of a FREE event to improve the health of your employees and their families! Family Wellness Day showcases the county's health initiatives at school, in the home and at work.

We invite you to join us in promoting and participating in Family Wellness Day on Sunday, June 2, 2019. This community-wide event is FREE for you, your employees and their families and focuses on the importance of healthy eating and physical activity in the workplace, the schools and throughout our community.

Family Wellness Day is an opportunity for you, as an employer, to promote the benefits of a healthy lifestyle to your workforce and to encourage employees and their families to participate. As part of this event, participants will enjoy a day of healthy fun and outside physical activity as well as receive important **free health screenings** and education. There will be lots of opportunities to win wellness related prizes throughout the day in our free drawings.

Family Wellness Day can be a part of your current or newly-forming workplace wellness initiative. Send your employees the message that you care about their health by promoting this event to them.

Take advantage of the Integrative Wellness Area, the Alternative Medicine Area, and the Health Wellness screening area. Additionally, in the Community area and Healthy Kids Zone, your employees' children can experience this day-long event on their own level with crafts, games, activities and prizes. Family Wellness Day is fun for the whole family!

SUBJECT: Family Wellness Day 2019

Sunday, June 2nd- 10am to 3pm

Centennial Park South (108 entrance)

In today's fast-paced world where most of our lifestyle choices are influenced by convenience and technology, chronic health conditions have begun to rise at an alarming rate. By focusing efforts on prevention, several chronic diseases can be prevented or made less serious.

As your employer, we want to do all that we can to promote better health for you and your family. Together, we can help each other to improve the culture of wellness in our office. Simple steps include becoming more conscience of our snack and meal choices in the office or deciding to take a short walk during a break.

There are also many opportunities in our community that we can participate in together. As a starting place, we invite all employees and their families to participate in Family Wellness Day. Family Wellness Day is a FREE Howard County event on June 2nd at Centennial Park. This community-wide event focuses on the importance of healthy eating and physical activity in the workplace, the schools and in our community.

We encourage all of our employees and their families to take part in this day of healthy fun and outside physical activity. There will also be **free health screenings**, entertainment and prizes. More information about Family Wellness Day can be found at www.FamilyWellnessDay.org

Take advantage of the Integrative Wellness Area, the Alternative Medicine Area, and the Health Wellness screening area. Additionally, spend time in the Community Area and Active Kids Zone, where kids can experience this day-long event on their own level with crafts, games activities and prizes.

We hope that many of our employees and their families will be represented at Family Wellness Day.
